

YOUR ONCE IN A LIFETIME EXPERIENCE

This is only August- so why talk about New Years now when the bees are buzzing through my lavender bush.....

Well... planning ahead is always good and having something so wonderful as [attending a ball in the Imperial Palace in Vienna](#) to look forward to is a great thing - even if its only August.

There are those of you who have attended the ball and judging from your comments loved it:

- *The Four of us danced and danced and danced and had such a good time..at 2:30 I started gathering them together.....*
-
- *Connie and I would like to thank you for the wonderful trip. The Sylvester performances and venues were simply perfect.....*
-
- *Our most sincere thanks for a magical vacation. The Kaiserball was an overwhelming success.....*
-
- *Our week in Vienna was everything we had hoped it would be and the highlight, the New Year's Eve imperial Ball in the Hofburg Palace was a truly magical evening.....*
-
- *The trip was a Blast – I have to go back to Vienna again – and the ball was better than I expected.....*

There are more but I don't want to overdue – and if you are the ones who have been and want to go again remember out “ [Good Clients Award](#) ”. And then there is our new feature – see below.....

And its not only the ball – there is the Sunday Mass (usually Mozart or Schubert) [sung by the Vienna Boys choir](#) .

Vienna Boy Choir

And on January 1 [the long standing Viennese tradition of seeing “die Fledermaus” by Johann Strauss.](#)

And your introduction to the wonderful [Viennese Cuisine](#) –(it has been around for about 1000 years and is a combination of the foods of the former Austrian Monarchy) paired [with wonderful wines grown within the city limits of Vienna](#) – **no other European capital can make this claim.**
